EDUCATION

B.TECH(Information Technology)	2022 - 2026	Rungta College of Engineering & Technology, Bhilai	7.02

INTERNSHIPS

Android Development — EduSkills | Link   April 24 - June 24

- Developed strong expertise in Android development using Kotlin.
- Applied Jetpack Compose, Google's modern UI toolkit, to design and implement responsive and dynamic user interfaces.
- Successfully completed several projects, demonstrating a solid understanding of Android fundamentals.
- Built a robust foundation in Android development, enabling the creation of scalable and responsive mobile applications.

ACADEMIC PROJECT

Crud-application— *Web App* | Link | React.js, node.js, express.js , MongoDB
- Developed a responsive and dynamic frontend using ReactJS.
- Implemented a full-stack solution with Node.js and Express.js for backend functionality, providing robust API services.
- Integrated MongoDB for efficient data storage and retrieval, optimizing performance and scalability without relying on third-party services.

Flipkart Clone— *Web App* | Link | HTML, CSS, JavaScript
- Developed key features like product listing, search, and user authentication.
- Integrated payment gateways (e.g., PayPal, Stripe) for secure transactions.
- Used pagination and lazy loading for improved speed and scalability.
- Created a mobile-friendly, user-centric interface with React.js.

TECHNICAL SKILLS

JAVA, C, Python, DSA, HTML, CSS, Javascript,Kotlin	React, node.js, express.js	Git, Github, VSCode, Android Studio

ACHIEVEMENTS AND EXTRACURRICULAR ACTIVITIES

- Member of the RUBI Startup Club at our college.
- Member of Infinity Coder club at our college.
- Led a team in a hackathon, successfully driving collaboration and project development under tight deadlines.
- Solved more than 100 Data Structures and Algorithm questions using JAVA across various platforms

POSITIONS OF RESPONSIBILITY

- Organized college fest as part of the core team, created and presented the prize distribution PPT, ensuring smooth event execution.
- Led a team in HackIndia web 3.O Hackathon which was held on 6th-7th sep 2024 at RCET, Bhilai.
